## SCHOOL NEWSLETTER 05/2016

2nd March 2016

Kia ora

This rain is a welcome relief to our gardens and sleep seems to come more readily when the heat is turned down a notch or two. Bugs and gremlins are doing the rounds – vomiting bug, strep throat and the always present nit farms. If your child is feeling a bit off colour, please let us know so we can carefully monitor, or give them a day at home – with you, nan or another lovely whanau helper.

Thank you for your generous words on the news of my new appointment to another school. It is a very exciting time to be part of Waihi East School. Please give feedback to our Board of Trustees. They appreciate hearing your opinion.

Thank you for ensuring your tamariki are in correct school uniform. We look stunning when we dress correctly. If you are having trouble finding correct navy blue, black or denim bottoms, please let us know. Some very kind whanau have donated clothing for times like this. We would love to help you out.

Please feel free to donate any kai items to our kai table. This table is placed at the gate each day for whanau to help themselves to. All sorts of items are appreciated.

How is your pumpkin going? We are starting to get ready for our pumpkin fundraiser on Wednesday April 13th. I would appreciate working with a number of whanau to ensure this is a fabulous night. We aim to run food stalls, and have prizes for the heaviest pumpkin, best pumpkin face and best veggie creation (veggie of your choice). Last year this was a super cool evening. If you have a bit of time up your sleeve, please let me know. Your help would be amazing.

This weekend we have a group of campers staying on the school grounds. This is a little fundraiser to purchase a device to be used by our seniors in their leadership role in the office. The school grounds including the pool remain open for our community.

## Kids' Work

At first I didn't want to do it but then I did it and then I loved it! It was fun!

Dear B.O.T

We (Joseph, Braydon, Sam and all the rest of the class) would like to thank you so much for the 2016 camp. The year 6's at camp will have great memories of their time at Waihi East School. The year 5's absolutely loved it! Abseiling was definitely the best activity by far. The cliffs were called Baby bear, Mama bear and Papa bear. Fossiling was awesome. Cary, Ashelin's dad found a fossil from thousand of years ago. The climbing wall was the second best activity because when we came down the climbing wall, we pushed off the wall and sometimes we bounced down the wall. Jason stopped us so we got a wedgie. Tobogganing was the third best activity because the sand dunes were steep and we went very fast down into the water. Jackson, Cully and Joseph could stand up, Joseph was the first to make it down standing up all the way. We had so much fun, thanks so much, can't wait for next year.

Yours,  
Joseph, Braydon and Sam.

## 'LIFE CHOICES' opt in form

We have a CRE\* team starting a weekly program from 6<sup>th</sup> May, the first Friday of next term. The program reinforces the values taught in our curriculum, like respect, excellence, fairness and honesty. It's a fun half hour program including songs and/or games!

This programme runs on Fridays 12noon-12.30pm and will be supervised by the principal.

Dear Parents/Whanau

As you are all aware by now, Emily Hargreaves has won a new principal position and will be leaving Waihi East at the end of term 1. It is a very exciting time for our community. The BOT would like to keep you informed about the process of employing our new principal.

The BOT has met and engaged Spencer Baty an Education Consultant as a specialist adviser for the process of employing our principal. We will be advertising this position very soon and hope to be making an appointment of our new principal in early May.

We are needing to make an appointment for the acting Principal role for Term2 only. We are in the process now of appointing this position which we will be seeking an experienced principal from outside of our Waihi East School staff. The BOT feel this will continue the stability of our classrooms and teachers. We have two wonderful Deputy Principals who will be helping make this transition as smooth as possible.

Lastly we are asking your thoughts on what attributes you would like to see in our new principal and hope you take the time to fill in the survey we have sent out.

If you have any questions please email me at [bot@east.school.nz](mailto:bot@east.school.nz)

Sincerely

Donna Walker
