WEEKLY NOTICES AND REMINDERS

Kia ora koutou

This week we had a somewhat important board meeting. As a result of board resignations, we followed the legal process to fill the casual vacancies on the board by the selection process. As a result, the board formally welcomed two new members. A huge welcome to Vanessa Twidle and Shane Rush. With a full board contingent, we were able to allocate the remainder of our board portfolio's / roles.

The make up of the current school board consists of:

Tineke Douglas - Board Chair / Parent Rep

Zac Taylor - Principal

Michelle Burr - Deputy Board Chair / Parent Rep

Vanessa Twidle - Financial Spokesperson / Parent Rep

Shane Rush - Property / Parent Rep

Tara Parker - Parent Rep

Briar Frew - Staff Rep

Kim Jones - Board Secretary

As a board, our primary role is to ensure that its school provides a safe environment and quality education for all its students. Boards are also responsible for overseeing the management of personnel, curriculum, property, finance and administration. So we are excited to be welcoming Vanessa with her in-depth knowledge of finance / banking to help us oversee the financial safety of the school. Also the knowledge of property and maintenance that Shane brings to help ensure the school is well maintained and is a safe place for our kids.

I would like to also acknowledge the time Peter Tai and Julie Mouat have spent on the board. A board made up of a variety of people, from a variety of walks and backgrounds, is a board that can critically analyse, monitor and plan. We will miss your contributions, challenges, help and humour. You have seen us through many changes, from major school projects, to a change of leadership, a change of government, a change of school colour, change the foundational statements and much more, you have truly been part of making our school an awesome school.

We wish you and your whanau all the best in the next chapter of your lives. You will be missed.

This week we also farewell Alex Heremaia, she has been part of our staff for 8 years. She has done many many things to support the life of the school in her time with us. She has far exceeded the expectations of the job title of 'Teacher Aide'! Alongside supporting the learning across all areas of the school; she has been on the board of trustees, heavily involved in our kapahaka, filled in many times as our office administrator, been our catering extraordinaire, she was a key member of our Whanau Roopu group, been our numicon (maths acceleration programme) expert, a camp mum, a first aider... the list goes on! We will certainly miss all that Alex brings to the school and staff. The board and staff wish Alex all the best in her new role at one of our local early childhood centres.

Regards

Tineke Douglas (Board Chair)

Kids Work

The Problem

Once there was a boy who really wanted a fish. His parents didn't let him. His name was Eddy. One day eddy got sick of not having a pet. So one day he told his parents. They were obviously not happy. Eddy didn't know what fish to get. He liked Blackmores so he decided to get Blackmores. He had to get a sixty litre tank because the fish needed that much room. He had to get the tank up and running before the fish go in the tank...

To be continued.
